**EPIGENETICS: SWITCHING ON THE LIGHT TO LIFE?**

A free public lecture entitled *Epigenetics: Switching on the Light to Life?* will be held on Monday November 5 in the Bellevue Ballroom at the Perth Convention and Exhibition Centre from 5pm to 6pm.

Epigenetics is the science of uncovering what causes genes to switch off and on.

The presentation by the Western Australian Institute for Medical Research's (WAIMR) Professor David Ravine forms part of the Epigenetics 2007 Australian Scientific Meeting.

RSVP to the conference organizer, EECW Pty Ltd, is appreciated email: [renee@eecw.com.au](mailto:renee@eecw.com.au) or phone (08) 9389 1488.
